

Coin Counter & Sorter

AB610 Medium Duty Coin & Token Counter/Packager

Accurate and sturdy, the AB610 allows a fast counting and sorting of coins, tokens and chips in retail stores, entertainment venues, amusement facilities, coin laundries, gas stations, vending businesses, and many other environments. It includes professional functions and allows an easy set up for a wide variety of coins and tokens. Packaging and bagging coins or tokens become an easy task.

The medium duty counter and packager designed for mid-sized businesses to large retail stores allows an accurate count by the selection of thickness and diameter. Easy to carry and with slick design, the AB610 offers professional performance at an affordable cost.
