

Brings you the best in Retail Technology

AB5000 PLUS Money Counter with Counterfeit UV / MG

This is AccuBANKER's professional grade counting and counterfeit detection unit. One of the most advanced and powerful currency counters available to businesses, the AB5000 Plus will meet all of your cash handling needs.

Equipped with a fully computerized mechanism, this Professional Bill Counter features: variable counting speeds of up to 1500 bills/min, batching, adding, and dual means of counterfeit detection. Additionally this money counter is equipped with an acrylic molded cover to protect the user from dust generated by the fast counting action.

Stylish yet affordable, the AB5000 PLUS is one of the most efficient and complete bill counter available, helping you in counting and detecting counterfeit currency in any business environment where cash is transacted and the strictest of counting/ counterfeit detection controls are required.
